Thanks, Brad.

I expect to approve or conditionally approve the SOP on Monday (Zack and I are both out today)..

By Monday, can you prepare the cover letter that refers to the other QA/QC procedures/considerations you will be following – from the approved priority home WP QA material?

Chain of custody, dupes, lab, analytical methods, DQOs, etc.

I expect that you are preparing the project QAPP – we should talk about that soon.

Many thanks.

Carolyn

Carolyn/Zach

Good evening. Please find attached the proposed sewer sampling SOP for the Former Amphenol Project located in Franklin, IN. As discussed with Carolyn earlier today, we hope to complete the sampling activities next week. Thank you in advance for reviewing the SOP and please contact me with questions or if you need anything else.

Sincerely,
